

ASTROLOGY 2005 STYLESCOPE

VIRGO

(Aug. 23 - Sept. 22)

CAREER: Creative Neptune in the work sector adds glamour to your job as your imagination helps to solve problems. Fortunate Jupiter, in your income zone through November, gives you greater financial stability, so you may be able to afford some treats.

ROMANCE: There's a deeper sense of intimacy with sexual Pluto in your security sector all year. You're confident enough to work through past traumas and express your deepest urges. Eclipses in April wipe away your past, revealing passion.
